

POTENTIAL LEA FUNDING

Our fees consist of the following elements:

- The boarding/day fee - please see separate Admissions Policy and Fees for details. This fee is payable in advance before the first day of term;
- Any extras incurred during the term. Payable before the first day of the term immediately following the term in which they are incurred.

We should point out to you that if your child has a statement of special educational needs and the intention is that the Local Education Authority will be responsible for meeting a proportion of the school fees you should be aware from the outset that parents are responsible for meeting the cost of all extras and (unless the LEA has specifically agreed to fund), any shortfall in fees not met by the LEA.

Any offer of a place at Stanbridge Earls for your child will be conditional on us receiving the following:

- A copy of the current statement naming the School; and
- Written confirmation from the LEA that it will be responsible for a proportion of the school fees and the extent of its contribution.

We understand that the above information may not be available at the time that your child would start but until such time as we are provided with it, you must understand that you will be responsible for payment of all of the fees and extras.

We may need to discuss your child's special educational needs with you further.

If we subsequently wish to offer your child a place the Headmaster will write to you with a formal offer asking you to:

- Complete and return an Entry Form and a Form of Acceptance; and
- Provide a cheque for the entry deposit of £1000 and if you reside abroad, an overseas payment to take the total deposit to the equivalent of one term's fees.

If you decide to accept an offer of a place you will agree to be bound by our terms and conditions as varied from time to time a copy of which is to be found on the website.

I hope that this is helpful. If you have any queries or comments at this stage please do not hesitate to contact the School Registrar.
